The Story of Jack-O'-Lantern

Jack- a blacksmith, an alcoholic

Devil- a character from another world

St. Poul

Bartender

Jack

Jack is sitting at the bar

Can I have another drink, please?

Bartender

You could ask so, if you had some money...

Jack

But... I haven't got any...

Bartender

It isn't my problem.

Bartender went away. The Devil appears

Jack

What the hell is it ?!

The Devil

Hello Jack! As you can see I am the Devil.

Jack

Am I crazy?!

The Devil

No, you are just a bad person. My job is to take your soul.

Jack

No ! I drank too much. You are only in my mind! Go away!

The Devil

Poor, naive Jack... I have to do it and you have to accept this fact.

Jack

Fine. You can take any form you wish just change yourself into a silver coin, let me use you to pay for the drinks and then you can change yourself back and take my soul. Hm?

The Devil

All right.

The Devil turned himself into a silver coin. Jack put the Devil in his wallet and shutted him inside

The Devil

What are you doing? Set me free! Now!

Jack

If you leave me alone for 10 years, I'll set you free.

The Devil

Fine, Jack. But you just set me free!

Jack did it

10 YEARS LATER

Jack is staying outdoors under the apple tree. Suddenly, the Devil appears

The Devil

Jack, how long we haven't seen each other?

Jack

Oh no, it's you again. I suppose that you need my soul, right?

The Devil

Great! I thought that you're stupid but it isn't true. Come on Jack, come to me and give me your soul !

Jack

Okay. But could you just climb that apple tree first and give me an apple? You know, I'm so hungry!

The Devil climbed apple tree. Jack pulled out his knife and carved a cross in the trunk of the tree.

The Devil

What are you doing?! Stop it! I can't go down

Jack

I will stop it, if you leave me forever.

The Devil

No. No way!

Jack

So do you want to stay here forever? Fine!

The Devil

All right.

Jack helped the Devil and ran away

Years later...

Jack died. He went to the Gate of Heaven

St. Paul

Welcome. Who are you?

Jack

My name is Jack. I died so I came here.

St. Paul

I will check what kind of person you were in the past

After a while...

St. Paul

Oh no! You were a very bad person. Here in Heaven, we don't have a place for people like you! Goodbye Jack.

Jack left Heaven and went to hell

The Devil

Who have we got here? Crafty Jack!

Jack

Can you take me here, please?

The Devil

No I can't. Have you already forgotten about our agreement?

Jack

I still remember it...

The Devil

I feel sorry for you, but you have to get used to it. Turnips and coal ! Put the ember inside it and wander the Earth for a resting place.

Jack came back to Earth. Now he is looking for a way to his home

Halloween as holiday

Halloween is a holiday which we celebrate on the 31st of October. Halloween came from Northern Ireland. This is a day of ghosts and various kinds of monsters. Halloween is also related with a story of Jack. However, today instead of turnips we use pumpkins, because turnips are hard to get. We put inflamed candle in a pumpkin in order to show a way for Jack.

Kids dress up as monsters or characters from horror films. They say: „trick or treat“ when they walk for candies.

Many people throw a halloween-party. During those parties people:

- ❑ play apple bobbing
- ❑ tell scary stories
- ❑ watch horror films
- ❑ choose the best scary disguise
- ❑ prepare and eat food looking like body parts
- ❑ call the spirits

They are the most popular halloween-party games.

„Trick or treat” is a saying told by kids during Halloween. When someone doesn’t want to give sweets to children, they play trick on this person. Usually, they spread toothpaste on a door handle. However, kids have many other ways to take their revenge.
